Dear Bill,

We just wanted to thank you for providing us with such great service and creative ideas for our many different events here at UNC Charlotte. From building dedications to Family Day events, your balloons, streamer cannons and CO2 jets add a sense of fun and excitement. It is a pleasure to work with you. We always know that you and your staff will be on time for both meetings and event set-up and that means a lot to an event planner!

Thanks for being a wonderful resource for us. We know we can count on Parties by Design for any event!

Sincerely,
