Dear Bill,

I would like to thank you for the truly creative work you did for the Theatre Charlotte fundraising gala—"Around the Theatre in 80 Years." It is always such a pleasure working with you. Your work is always imaginative and for this event you even topped yourself! The décor was spectacular and had our patrons buzzing with excitement.

I can't tell you how much I appreciate your style, your vision and your dependability. You always come through, whether it's set design, décor, decorations or special effects. You have made our special events truly special. I would highly recommend you to anyone planning an event of any kind.

I look forward to working with you long into the future!

Sincerely,

Ron Law  
Executive Director
